Municipal District To Pay \$2.50 Bounty On Coyotes

Reeve W.H. Metz presided at the regular meeting of the Council of the Municipal District of Mountain View No. 49, held in Didsbury on Saturday, January 12, and all councilors were present.

After some discussion Council decided to pay a bounty of \$2.50 for each coyote taken by the Municipality during 1952, and the maximum sum of \$3,000 was allocated for bounty payment.

An interesting report submitted at the meeting showed that bounty had been paid by the Municipality on 426 coyotes during 1951.

J.J. Miller of Calgary was appointed assessor and the 1951 assessment was accepted for taxation purposes this year.

The Department of Lands advised that the road allowance East of the N.E. of 34-32-24-8 had been leased to Karl Stach's of Olds.

A communication from the Alberta Assessment Commission advised that the assessment on the legend Drilling Company had been fixed at \$1,000 and that the assessment on the T. Morris property had been sustained.

A communication from Calgary Power Ltd., asked for approval of plans to supply power to Eagle Hill Co-op Store and adjoining buildings, and Council approved the plans.

Councillor W.J. Bagwell tendered his resignation as Civil Defence Controller of Mountain View Civil Defence Area, and Councillor H. Roedler was appointed as Civil Defence Controller for the Municipal District of Mountain View No. 49.

Councillor Roedler was appointed to attend the Civil Defence School to be held at Edmonton starting January 28.

The necessary by-law was passed to establish bank credit for 1952 and a by-law was passed providing for the lease of the N.E. of 25-32-2-3 to R. Dodd for the year 1952.

CARD PARTY RAISES FUNDS FOR VETERANS' MAGAZINES

A card party was held at the home of Mr. and Mrs. Wm. Collinge on Friday evening, January 11, and proceeds went to the fund to provide magazines for the veterans in the Belvedere Inn.

Seven tables were in play and Mrs. Bob Simmons and Mr. Bob Collinge won the first prizes, and consolations went to Mary McDonald and Lloyd Kershaw.

Mrs. Frank Jackson made a box of chocolates which were raffled off and Mrs. Woollen held the lucky ticket.

Cremona W.I. Donates To Hospital Project

The first Cremona W.I. meeting of the year was held at the home of Mrs. Hewitt with 13 members and one visitor present. The meeting opened with O Canada, and repeating the "Creed Roll call was answered in "something I wish my neighbor wouldn't do."

Three dozen cups were ordered to be used by the Institute.

As a member's daughter, Margaret Catanzari (nee Margaret Ferguson) now living in the United States, brought a pair of twins into the world on Christmas day, rompers and a dress are being sent to them.

W.I. magazines were ordered for each of the members.

The president, Mrs. Schultz, offered to type out the list of handicraft for each member.

The sum of \$18.75 was sent towards the cost of an oxygen tent for the hospital.

Mrs. Schultz gave a paper on the early days of the W.I. which was very interesting. One item mentioned was that years ago the Westcott store was named "Kansas." People came many miles to get their mail there.

The raffle was won by Mrs. B.B. Reid.

Dues for the year were paid up and the meeting adjourned, after which a lovely lunch was served by the hostess.

C.P.R. TRAIN TIMES AT DIDSURY

NORTHBOUND:

No. 523—Daily except Sunday, 11:32 a.m.

No. 525—Daily at 6:21 p.m.
No. 527—Daily "Eskimo" 10:00 a.m. (stops only flag on Sundays)

SOUTHBOUND:

No. 522—Daily 4:52 a.m.
No. 524—Daily 12:46 p.m.

No. 526—Daily except Sunday, at 5:13 p.m.

No. 528—Daily 6:21 p.m. (stops on flag on Sundays only).

Another Chinook has come and gone this past week and Saturday the weather has been cold with 20 below zero Sunday night and 10 below Monday and Tuesday. Some snow fell Sunday and with north-westerly winds roads drifted in places and caused a tie-up in traffic on country roads. The new snow-plow on the roads last Thursday has helped to keep roads open but it is a big job when winds are continuous.

Rugby Girls Club Gives Public Speaking Prizes

The January meeting of the Rugby Girls Club was held at the home of Maxine Hosgood and 12 club members and 7 visitors present. The mothers and grandmothers' roll call was answered in a party trick which provided fun for all. It was decided to hold a social evening at the Rugby hall on Wednesday, January 23. Bingo and other games will be played, and there will also be a sale of home cooking.

The winners of the programme books were announced and Mary Lou Hosgood took honors for the senior girls and Lillian Hosgood for the junior girls.

The most outstanding feature of the meeting was the public speaking contest. Vera Betus won for the seniors, her topic being the "Royal Tour," which was well illustrated by a series of pictures. Lila Blain won for the juniors, her topic being "How Branding Came into Being."

Members were privileged to have Miss Lily Snyder, an overseas missionary, in attendance. She gave a brief outline of her missionary work in India which proved interesting to everyone.

On behalf of the Girls Club, Vera Betus presented the supervisor, Mrs. P. Hosgood, with a set of salt and pepper shakers and a plastic apron.

Mrs. P. Hosgood conducted a quiz, the guessing cooking materials which were in a bag, and Miss McNaughton won the prize.

The tea draw was won by Mary Lou Hosgood.

After the enjoyable meeting a delicious lunch was served by the hostess.

WEST NOTES

The W.A. of the Anglican Church met at the home of Mrs. H. Hosgood on Thursday last with most of the members present. A comforter was sewn and is ready to go to the next meeting, which will be held at the home of Mrs. A. Vipond. Mrs. McMullen was re-elected president, Mrs. A. Bird vice-president and Mrs. H. Hosgood secretary-treasurer. Mrs. A.L. Hogg was appointed to the W.I.

Mrs. A.L. Hogg was an overnight visitor in Calgary last Thursday.

The Elton hockey team won both games last week, the first at Cartstain on Monday night and the other one was played at Elton against Madden.

We failed to hear that Mrs. Ray Sir of Cartstain, is a patient in the Didsbury hospital, also that Mrs. G. Anderson is back there again, and we wish them a speedy recovery.

Mrs. O. Krebs returned home on Saturday after spending the past week with her daughter, Mrs. Arden McCulloch.

Owing to the extreme cold weather the whilst drive which was to have been held at the home of Mr. and Mrs. H. Hosgood by the Royal W.I. on Monday was postponed.

Mr. and Mrs. T. Morris spent Sunday with Mr. and Mrs. H. Hosgood.

Farewell For Mr. And Mrs. Wilfred Rennie

About 80 friends surprised Wilfred and Irene Rennie at their home Friday evening, January 18. Entertained were a number of musical numbers by Mr. Bill Tohm, Mr. Clifford Eckstrand and Mrs. Doreen McEwan. Beverley Eckstrand represented Red Wing in her Indian costume. The Rennie girls sang a couple of songs, and then sang a few more.

Mr. Jack Edwards and Wilfred Rennie, and all joined in community singing.

Mr. Raymond Shantz presented Mr. and Mrs. Rennie with a purse and conveyed to them the best wishes of those present. He wished them success in their new home in Didsbury.

The hostesses, Mrs. Jack Edwards and Mrs. Cliff Eckstrand, served a bounteous lunch, bringing the evening to a close.

Calgary Buffaloes Win 4-2 In Overtime Game

Calgary Buffaloes came up with two last-minute goals in overtime Saturday night at the Didsbury Oil Kings 4-2 in the fourth Western Canada Junior Hockey League game to be played here.

Pete Scott got the winning goal with 17 seconds remaining in the overtime period, and Frank Peten rapped in the second clincher with only two seconds left.

Edmonton took a 1-0 lead early in the first period as Calgary tied it up before the session ended. The second netter club was able to score and it was Calgary that went into the lead at the 52-second mark of the third period.

Kowalewski wasted little time putting the Oil Kings ahead when he teamed up with Ed Zenik and Jack Yost to score at the 32-second mark of the first period to beat goalie Jamie Basson.

It took Buffaloes more than 15 minutes to get even on the scoreboard. Gidday did the honors on a passing play with Bob McGhee, who was still able to slip the puck past Basson.

Kowalewski wasted little time putting the Oil Kings ahead when he teamed up with Ed Zenik and Jack Yost to score at the 32-second mark of the first period to beat goalie Jamie Basson.

The game appeared destined for a tie when Scott let go with a howitzer from the blueline. Oil Kings' Hodson didn't see it and it caught the top corner of the net at 9:43.

Buffaloes went on the attack again from the centre face-off and Pedes carried around the defence. Hodson, however, was quick on his net to save but Pedes circled him and the shot hit the post.

In the third period blazed in a solo effort that Hodson was able to chance with only 32 seconds gone. Oil Kings retaliated three minutes later when McNeill skated in on a play with McDonald and flipped the puck behind Basson.

W. H. Payne was elected president of the Didsbury and District Board of Trade at a meeting held in the Lions hall on Thursday evening, January 17. Other officers elected were: E. E. Bierberg, vice-president; C. W. Norstrom, secretary-treasurer; and A. V. Soley and Dr. C. T. McNichol, directors.

The meeting was called to order by past president George Law, who outlined previous activities of the Didsbury and District Board of Trade, speaking of experiences and difficulties encountered. Mr. Law wished the new president more enthusiastic support from the local business men.

After a lengthy discussion on the Board of Trade problems and the urgent need of an active organization, the following committees were appointed for 1952:

Civic Improvement: W. E. Biore and E. T. Wiggins.

Reception Committee: A. V. Soley and A. Reiher.

Round and Sign Committee: A. E. Prevest and E. L. Clayton.

Business Promotion Committee: W. Rankin, L. Bertsch and A. Engwer.

School Promotion: Dr. C. T. McNichol and W. E. Biore.

The executive is planning a banquet for the new year to be held when an invitation will be extended to the Hon. G. C. Gerhart, minister of municipal affairs, to be the guest speaker on the subject of the County System.

A hearty vote of thanks was extended to Mr. George Law for services rendered in the interests of the Board of Trade during the past year.

The Didsbury and District Board of Trade plans a banner year for advocating improvements in the interests of the town and district, and the help of every resident of Didsbury and district is solicited.

WESTERDALE

The tiny Little Show which was to have been held last Tuesday evening, was postponed until a later date owing to the severely cold weather.

Mr. L. Jones is a patient in the Olds Hospital where she underwent major operation last Friday. She is reported to be rapidly recovering.

A small crowd attended Mr. and Mrs. R. Heaton's wedding dance on Friday, the cold weather no doubt being responsible.

In the Cartstain bonspiel held recently the Irwin Klein rink of Didsbury won third prize in the second event, and fourth prize in the fourth event.

**New Chev. To Be On
Display This Week End**

A brilliant array of smart, new colors, a richness in passenger compartments never before achieved in the long-heralded field; an easier ride and steering, plus a host of other features, make up an impressive list of advances in the 1952 Chevrolet, which will be on display this weekend at Edford Motors.

Specifically, the new models offer greater comfort through radically redesigned front mountings and reduced weight about the center. Improved performance under extreme operating conditions through refinements in carburetion; a wide variety of color exteriors combined with harmonizing interior trim and fabrics on the deluxe models that give the customer an amazingly wide choice.

The new models include a convertible and a station wagon, and again this year the Chevrolet series will be available in Special and Deluxe models.

In eye-appeal the latest Chevrolet presents a balanced beauty of design. A new radiator grille, fresh ornamentation and bright metal work impart a lower, longer appearance.

Bodies by Fisher retain the same spaciousness of a year ago, but more than ever before interiors possess an atmosphere of custom coach work. In the "harmonious" interiors of the "Customline" models, two-tone upholstery is furnished in gay blue or green. Color of interior appointments—including instrument panels—correspond to upholstery material.

The new engine mounting include softer rubber members with greater vibration damping characteristics so that less vibration is transmitted from the engine to the car, giving a softer feel. With this type of mounting the engine "floats" from high points of suspension. Increased stability in the driving controls is another advantage.

Chevrolet's popular automatic transmission, originally developed over the last year, has proved its value in the hands of thousands of owners, again is listed as optional equipment on Deluxe models. The performance of the Powerglide models will be even further enhanced in 1952. This device assures top performance by automatically controlling the carburetor choke in accordance with engine load and weather conditions.

Let us have faith that right makes might, and in that faith let us, to the end, dare to do our duty as we understand it.—Lincoln.

HOW TO STORE FERTILIZER

In view of a possible shortage of certain fertilizers in 1952, many farmers will be placing their orders now. It is important that fertilizer be stored in the spring. Fertilizer obtained now is well-cured, dry and free-running, and will remain so if properly stored.

Store fertilizer in a dry, well-ventilated building. Keep windows and doors closed. Do not store fertilizer and open when dry. Never pile wet or damaged bags with sound ones. Bags must not rest on bare ground, concrete, metal or against the side of the building, but should be piled on sticks at least four inches off the ground. Two piles should not be more than seven bags high. A space should be left between piles for circulation of the air. A few inches of straw on top of the pile will prevent moisture from settling on the bags.

BOY SCOUT NOTES

The 2nd Didsbury Troop, Boy Scouts held an investiture ceremony on the 1st floor of the Civic Hall on January 21st. The ceremony included the presentation of merit proficiency and service badges than at any previously held service. Several of the parents were present, including Mr. and Mrs. Harold Oke, Mr. and Mrs. Lloyd Stauffer, Rev. A. Habermehl, and about twelve of the students.

Those receiving badges were Edward Oke, Melvin Habermehl, Willard Stauffer and Wayne Shantz. Both Edward Oke and Melvin Habermehl now hold their King's Scout Badges. When this badge was presented it came from the Governor-General, Viscount Alexander of Tunis. Willard Stauffer received four proficiency badges and Wayne Shantz one.

This ceremony was a fitting climax to several months of hard work by the Troop. Fifteen boys are enrolled and manifest a keen interest. The morale is high, and a good deal of field work is undertaken and enjoyed by the boys. Recruits are welcome.

Bergen stored his neighbour to a patrol of Boy Scouts from the 2nd Didsbury Troop over the Christmas holidays. The boys, Edward Oke, Willard Stauffer, Ray Stauffer and Melvin Habermehl camped on the Fallen Timber River. Although the temperature dropped to fifteen below and the boys slept outside, they stayed warm and slept comfortably. The high point of their two night camp was roast chicken with most of the trimmings. Good luck to these budding Hiawathas.

OBSERVE AND PRACTICE THESE:

- Objectives of safe, courteous driving:
- 1. Use hand signals to keep the driver behind informed of your intentions.
- 2. Keep on your own side of the road.
- 3. When in doubt as to who has the right-of-way, yield to the driver. You'll make satisfaction in having "bluffed" your way, but you'll have the satisfaction of a better chance of living longer.
- 4. Give the pedestrian the right-of-way.
- 5. Always remember, you are the "other guy" ahead of the driver behind you. Watch your motor manners and give him a lesson in courtesy.

NOW WE IMPORT BEEF.

Commodity trade patterns have been reversed. Canada has started importing beef from the U.S. Several carloads of good quality beef have been brought in and distributed profitably in the Canadian market. Canadian cattle are in a one-way traffic out of the country and usually to the U.S. Packers say that the move will likely be a temporary one, as recent shipments from Canadian farms have been below normal.

RATS ARE INVADING ALBERTA:

What seemed like an impossibility before is now actually happening. The following shows where rats have been killed or located in the province: Coutts, East Coulee, Montor, Blackfoot, Edmonton, Schuler, Altona, Provost, Consort, Coopersburg, Wainwright and Acadia Valley.

In some cases these rats came in to these points by railway box cars. In other cases they were caught in gopher traps, killed by cats, or caught by other means. It should be mentioned that unless we get concerned over this problem and act while there is still time, we will have rats throughout the province. A rat eats \$2.00 worth of food a year, may destroy or make ineligible \$18.00 worth more. Rats multiply rapidly. A pair of rats left unmolested will lose a property of three million in a year. It will cost us about \$25 million dollars a year to keep and put up with rats in Alberta. Now is the time to be on the alert. Report rats or evidence of rats to your pest control officer. We have a powerful ally in the poison Warfarin and there is an ample supply on hand for use wherever needed. The pest control officer appointed for Mountain View M.D. No. 49 is the Field Supervisor.

FREIGHT RATE REDUCTION

Canadian railways have been ordered to implement recently passed legislation which will give the railroads a number of benefits of low "transcontinental" freight rates. Under the legislation the railways, on freight movements between the east and the interior of the west, cannot change more than one and one-third times the rate between the east and British Columbia. For years the rates between the east and the west coast have been depressed because of war-time competition.

Among the most important items affected are canned goods, dry goods, and iron and steel. Alberta and western Saskatchewan will benefit most by these lower rates.

CANADIAN BREAD

Newfoundland, Canada's youngest province, has a law in effect which provides for the enrichment of bread through the inclusion of synthetic vitamins. There is a movement under way to extend the practice to all of Canada.

The federal government adopted measures to provide for a different kind of wheat milling calculated to include more of the natural wheat vitamins in loaves of bread. This bread was named "Canada Approved" but failed to gain popularity, because of the dark colour.

Newfoundland won't give up synthetically enriched bread and, as each province must be treated the same by the federal government, a widening of that practice may be expected.

Flour consumption in Canada over the past 20 years has dropped from an average of 180 pounds per capita per year to 153 pounds. This may be due to the higher incomes of Canadians. Bread is the main food of the poor. As incomes rise, money is available for the purchase of a variety of other kinds of food.

Letter To The Editor**ORATORIO SOCIETY BEGUN**

Three years ago the Province was alerted to musical calls from our town. It was then that the A Capella choir stepped into the public eye, and has since received recognition both in Alberta and outside her boundaries. This unique organization has a precision in the Chanticleer, Northwest, and a choral standard which has won merit in highest musical circles. But, its members must be restricted to the student body of our Mountain View Bible College. This is unfortunate. It is well for many persons in our community to sing, and have desired the pleasure of some release in this field. And so we have begun a society devoted to the singing of fine music. Wales, Scotland and other European countries have long been seasoned with such endeavors.

This year we will present on Good Friday the famous "Seven Last Words of Christ," written by the French composer Theodore DuBois. Those who have attended our first session expressed much enthusiasm.

As director, I should like to extend to all our friends in Didsbury and outlying districts a very personal invitation to become a member of the Oratorio Society. Because I appreciate the warm friendship of my Canadian friends. I would like to make this investment in your happiness. Who knows, we may even have another Mendelsohn Choir.

Our rehearsals begin at 8 o'clock on Thursday nights for the present, and will be held in the choir room on the Campus. Perhaps another time will be set; it is you who will decide.

Let us make Alberta focus attention in Didsbury, as the musical heart of Alberta!

G. LYLE RICHARDSON

Dear Sir:

Is Didsbury ready for a medical clinic?

Let me tell you why our Didsbury town is approaching the maximum convenience of having a medical clinic like any other town in Alberta. We have the most competent doctors of the latest medical and surgery discoveries. We have been told that in some towns well-to-do citizens have their own doctor, which was the foundation stone of a medical clinic. In Winnipeg over 500 members in a community have bought a hospital by the name of "Concordia" and it is operated on a mutual basis. Members send a lot of necessities to the kitchen, such as chicken, eggs, meats, and even linen which the committee asks for and quite often is given free.

If anybody feels like doing anything in this way would they contact the secretary of the Didsbury Health Society? Mr. Bill Edel. For 15 years this Society has indirectly helped pay for those who needed its help. Let me ask each member for himself. Are you unhappy of doing this world wide necessary action which never proves fatal? If not what do you think about a medical clinic in Didsbury? Let's give the editor some practical material and support the Pioneer at the same time.

I am asking for articles in The Pioneer with good concrete suggestions. There is certainly a way where there is a will. Don't keep your will passive.

H. REMPEL
Director of D.H.S.

Dear Sir:

We will appreciate the use of your "Letters to the Editor" Column, to express to our readers the gratitude of the Alberta Tuberculosis Association for the fine response to the 1951 Canadian Seal Campaign, which has not yet, however, achieved its objective.

Provincial returns to date stand at \$167,500, leaving us still \$17,500 short of the \$185,000 objective. We have received 85,950 individual contributions, and hope that 100,000 Albertans will have sent contributions before we close our books.

We therefore urge our readers to send in that contribution so that we may continue to fight TB as effectively as we have done to this point. Our death rate has been reduced by 50% during the last five years alone, and this reduction can be continued only if all anti-TB agencies continue to seek money. It's very definitely worth it.

Allow me, Sir, to take this opportunity to thank the Didsbury Pioneer most heartily for all the help given us in the Seal sales, without which we could not have been so successful.

(Last Week)

The annual meeting and election of officers of the Willing Workers Club was held at the home of Mrs. Ben Kershaw last Wednesday afternoon, when ten members were present. Roll Call was answered by each member bringing half-a-dozen cookies.

The meeting opened with the singing of "Smiles" followed by repeating the Creed. Arrangements were made for three card parties, the first to be held on January 15, at the home of Mr. and Mrs. W. Herbert. Mrs. Jackson was co-hostess; the second party will be held on January 28 at the home of Mr. and Mrs. F. J. Jackson, with Mrs. H.

Jackson as co-hostess; and the third party will be held on February 11 at the home of Mr. and Mrs. W. Herbert, with Mrs. Ben Kershaw as co-hostess.

The financial statement was read and showed a bank balance of \$51 and cash on hand of \$103.37.

The election of officers was held and the following officers were elected: President, Mrs. J. J. Bolton; Vice President, Mrs. L. Jones; Secretary, Mrs. W. Herbert; Treasurer, Mrs. S. Jackson; Auditors, Mrs. J.P. Schrader and Mrs. R. Jackson.

The newly elected President, Mrs. Bolton, then took the chair and it was decided that a food parcel be sent to Mrs. Jackson in England as soon as possible. Mrs. W. Herbert and Mrs. Bolton were elected to purchase the food and pack the parcel.

It was decided to discard the idea of sending used wool to the woollen mills to be made into blankets, as sufficient members were not interested.

The tea money hostess prize was won by Mrs. J. Bolton.

The next meeting will be held at the home of Mrs. S. Jackson on February 13.

Mrs. G. L. Stewart of Lousiana, Alberta, arrived at the home of Mr. and Mrs. H. Jackson on Sunday for an extended visit.

Mrs. and Mrs. W. Herbert expect

to leave on Tuesday for a three weeks' holiday trip to California. Miss Donald Wilson of Ft. St. John is taking over the chores during their absence.

Miss Julianne Dalaire and Miss Nancy Jurajcik, both of Sylvan Lake, spent the week end visiting with Miss Phyllis Jackson.

Mr. R. Heaton of Sundre visited at the home of Mr. and Mrs. R. Jackson Monday evening.

The Ray Little Show from Calgary was held in the Hall on January 15, the card party previously arranged to be held the same evening has been postponed until January 21.

Mr. and Mrs. W. Wigley and Mr. Edwin Jackson Jr., motored to Calgary last Wednesday.

THE QUESTION OF DAMP GRAIN
BY H.G. STRANGE

One most serious difficulty that many farmers have been faced with this year is that of keeping damp grain they have stored on their farms from spoiling or heating or "going out of condition" as it is technically termed, until it can be taken in by elevators and returned to terminal elevators and promptly dried. The greatest danger of this grain going out of condition will come next April and May when the weather warms up, and when of course the grain that is stored will also warm up and no doubt start rotting. This is, however, danger now with any grain that was stored when the weather, and also the grain, was warm.

Our universities and Provincial governments and a number of individual farmers have already made many experiments in the means of keeping this damp grain from heating. At the moment the results of most of these many experiments are not available, although some are. "The crop testing plan" collects information from every source possible and makes available it all in due course, and as quickly as possible, appear in this column. Meanwhile farmers might well watch any experiments being made by their neighbours and note the results obtained.

Didsbury and District Board of Trade

January 23, 1952

Dear Mr. and Mrs. Didsbury:

There has been some oil activity in the district in the past year and indications are there will be much more from now on. Up to now anyone coming to town for a week, a month or six months have required accommodation of anything from one room to a fully furnished house. However, up to now there hasn't been a central office at which to inquire about accommodation.

This situation has resulted in much dissatisfaction on the part of those seeking accommodation, some of whom in despair have moved on to other towns, resulting in much less money being spent for rents and other living necessities, all of which go to make Didsbury a better town.

To help make it easier for those seeking accommodation and for those who have something to Rent, Reimer Brothers have kindly offered to operate a reception office and keep listings of places to rent. This is a free service—there is no commission or charge whatever to owner or tenant.

If you have any accommodation, a room, an upstairs suite you could rent, you will be doing the community a service as well as increasing your own income. Phone Reimer Brothers, No. 90.

ART REIMER,
VIC SOLEY,
Reception Committee

P.S.—Just one thing to remember when you set your rental—Everyone in the oil business is not a Texas Millionaire. Most of them are just hard working people like yourself.
